CHRISTMAS
2023
WWW.GREENCITY.COOP

Welcome to the 2023
Greencity Christmas brochure.

Once again we have compiled a brochure full of the best offerings from our portfolio, which as always has a strong focus on local, Organic, and Fairtrade Certified options.

Featuring the basic essentials as well as very special festive treats, this brochure has everything your customers will need to whip up a storm for their Christmas dinner, some alcoholic (and alcohol-free!) delights to wash it all down with, and interesting and ethical gifting in-between. We hope to have you covered on all bases this year.

We love to buy local when it comes to gifting, and this year we have some great food, drink and other gift options from across the UK that we're sure your customers will be keen to slip under their Christmas trees. We suggest you make checking out the Festive Favourites section of the brochure the first thing on your to-do list - here we feature our top picks of the season - a selection of gift-giving ideas that Scrooge himself couldn't find fault with. Find our Festive Favourites on pages 4-7.

As the big man's visit grows ever closer, we suggest keeping a weather eye on our website for any special offers that arise.

From all at Greencity, we wish a wonderful festive season to all of our customers, and look forward to a prosperous 2024.

Lang may yer lum reek!

FESTIVE FAVOURITES

These Festive Favourites are our pick of the gifts for 2023. Read on to discover what we're hoping to find under the Greencity Christmas tree this year.

HIGHBALL

Highball Alcohol Free Cocktails are a delicious, healthy, zero percent alcohol alternative to some of the world's greatest cocktails. Using natural ingredients sourced from around the world, Highball cocktails are hand-crafted in small batches in the UK. With a focus on authenticity and flavour, these cocktails contain less than half the calories of the alcoholic versions and are free from artificial ingredients, sweeteners and preservatives. They're also gluten free and suitable for vegan diets, so no one's excluded from the toast! We're really excited to be stocking both individual bottles and a gorgeous gift pack.

See pages 27 & 56 for line details

CLOOTIE MCTOOT

Clootie McToot are a family run business based in Abernethy, creating their Clootie Dumplings with the best and freshest of ingredients. Bursting with mouth-watering fruits and warm spices, these succulent dumplings are a perfect alternative to Christmas pudding, and a great accompaniment to a cheese board. We're stocking three versions of Clootie McToot's Clootie Dumpling Kits this year - Traditional, Apple and Pear and Gluten Free. Each kit includes all the dried ingredients, muslin cloth, string and detailed instructions you need to make your own dumpling, and can be made to a vegetarian or vegan recipe based on your preference.

See page 23 for line details

PENTIRE

There's a new alcohol-free dram to leave out for Santa this Christmas! Pentire is a range of healthy zero percent alcohol drinks, made by naturally distilling botanicals from the Cornish coast. Choose from signature non-alcoholic spirits and expertly pre-mixed cocktails. In Coastal Spritz, Pentire's signature coastal botanicals are carefully blended with Blood Orange, Sea Rosemary and Oakwood to create the perfect balance of natural bitter flavours and refreshing coastal tones. 'Adrift' and 'Seaward' combine coastal botanicals like rock samphire, woodruff and wild seaweed for refreshing spirits that mix wonderfully with tonic.

See pages 27 & 55 for line details

H!P CHOCOLATE

The Colombian cocoa used in H!P chocolate is on the lowest end of the cocoa environmental impact spectrum, and, per kilogram, their chocolate has a carbon footprint over 50% lower than chocolate made with cow's milk. Count down to Christmas the greener way with H!P's plastic free advent calendars this year! Also perfect for gifting (or fuelling your Christmas film marathons) is H!P n' Mix - a salty sweet combination of vegan chocolate buttons, pretzels and cranberries. Available on it's own or as part of a gift set with two of H!P's yummiest oat milk bars - Gingerbread Cookie and Salty Pretzel.

See pages 17 & 20 for line details

THE FLORA LAB

We are so excited to be stocking The Flora Lab and their range of botanical wax melts this Christmas. These little beauties are bursting with fragrance and there's a scent for everyone: from the herbaceous, citrus and botanical The Renaissance Man, to the pine & eucalyptus-scented Alpine Air, and the warming Winter's Night. Each wax melt bar is made of hand-poured natural plant waxes and will give you up to 100 hours of scent. They come in a gorgeous FSC certified box that is both compostable and recyclable, and will look lovely on your shelves too!

See page 34 for line details

SORORES

Sorores Aromatherapy is two sisters, Dominika and Basia, who make ethical soaps and candles by hand in Glasgow. Their annual holidays to the Polish Lake District (Mazury) inspired their love of nature, travel, peace and tranquillity on which their botanical scents are based. They use 100% natural, sustainable ingredients that are safe for you and gentle on the earth. Every product made by Sorores is vegan, handmade, small-batch, zero waste, and made with love.

See page 31 for line details

POPCORN SHED

Pop them in a stocking, pop them under the tree, pop them in a bowl for the party to share! Introducing Popcorn Shed and their flavour-packed festive range. Including Christmas Pudding - combining rich caramel and festive spice, Chocolate Orange - dark chocolate and orange without the tin foil, and Pink Gin - infused with real gin and freeze dried raspberries, for a perfectly popped 'cheers' to the season. All of the flavours that we've chosen to stock are vegan and thoroughly taste-tested by Greencity co-op members.

See page 19 for line details

OMBAR

New from Ombar this year are Xmas Baubles - folded card spheres packed full of mini Ombar chocolates, complete with a hanging loop so you can festoon your tree or even use as a very special gift tag. Ombar's Oat M'lk Chocolate has half the carbon emissions of 'regular' milk chocolate and is made with Organic, British-grown oats, or choose the original 'Super Choc' version containing mouth-wateringly delicious, Organic, vegan and Fairtrade mini bars. Also limited edition from Ombar is the Spiced Orange Hazelnut Truffle bar - Ombar's high quality Fairtrade chocolate with a zesty, spicy winter twist.

See page 18 for line details

GULLANE GLÖGG

Gullane Glögg is the answer to delicious mulled wine without the effort! This award-winning concoction is an artisan blend of orange infused with spices that lets you make mulled wine in minutes; just add to red wine and heat. It's also fabulous with fizz - add a splash to a glass of sparkling wine for a festive chilled cocktail. Perfect for parties or use to make a single glass of mulled wine; it allows you to make as much or as little as you need. And the mix itself is alcohol free, so great for entertaining drinkers and non-drinkers alike - we love it with ginger beer for a zero alcohol option.

See page 56 for line details

TAYLOR PASS HONEY CO.

Taylor Pass' hives are found nestled amongst the mountains and valleys of New Zealand's South Island - where bees work the unique flora to produce honey with the signature flavours and properties of the land. Two of Taylor Pass' delicious honeys are now available in a special gift pack. UMF 5+ carries the Unique Mānuka Factor (UMF®) trust mark rating for healing potency, while the Multifloral blend is a delicious combination of Mānuka and rich New Zealand Bush Honey – naturally blended by the bees to create a dark amber honey with intense bold flavour and a complex aroma - sweet, woody and spicy, with fresh fruit and citrus notes.
