FESTIVE FAVOURITES

These Festive Favourites are our pick of must-haves for 2024. All are brand new to Greencity this year and are ideal to fill your Christmas stockings or update your Christmas dinner table spread.

TCHAI OVNA

We're really excited to bring you these beautiful, re-fillable loose leaf jars from Tchai Ovna - made of high quality brown glass, specially chosen to preserve the longevity of the tea. Long a favourite local supplier of ours, Tchai Ovna have been carefully sourcing and blending teas for many years, directly sourcing tea leaves and Organic spices from suppliers with whom they maintain close personal ties. Although the Glasgow tea house is no more, what better way to transport yourself to your own version of that haven than by brewing up classic blends like Yogi Yogi Chai and Faeries Blood, plus a very special Christmassy blend in the form of Mulled Wine Tea - a deliciously warming brew which will see you through the cold winter days.

NEMI TEAS

Introducing NEMI Teas - bringing you the most delicious teas and tea blends while also empowering refugees through a 10 week hospitality training programme in their London cafe, and supporting those involved to ongoing work through ethical caterer Thomas Franks. Not just doing good for people, NEMI Teas are also produced with the environment in mind, using plastic-free packaging and biodegradable teabags derived from non-GMO sugarcane, while the tea itself is Organic and Fairtrade certified. Plus the range looks fantastic, with each flavour packaged in a brightly coloured tube with heaps of shelf-presence. We think these would make a fantastic stocking stuffer for the Tea Jenny in your life!

CATHERINE'S ORIGINALS

Is anything more emblematic of a classic Christmas than a tin of brightly wrapped chocolates, popped open to share on the big day? Now plant-based "kids from 1 to 92" can join in the fun with Catherine's Originals! Made with sustainably sourced cocoa, there are 9 flavours to get to know (and to fight over!) - from silky smooth Caramel to crunchy Honeycomb. OCELOT

Ocelot is a range of Organic craft chocolates made in Dundee using cocoa sourced responsibly from farmers in Democratic Republic of the Congo. Their 70% dark chocolate is made from beans which are grown in Virunga National park - Africa's oldest nature reserve, and the home of the last Mountain Gorillas. There, the farmers are actively working to protect the gorillas and this precious habitat, and the beans that are produced reflect this diverse region, creating a chocolate with the rich and tart flavours of dark fruits, earthy forest floor and smoky tobacco. Meanwhile Ocelot's 50% Organic dark milk chocolate is made with the same rare Amelonado beans grown by the Femmes de Virunga, an all female cooperative in Eastern Congo.

GOUPIE

What began as a homemade family secret is now destined for shelves across the land! Squidgy little bites of chocolatey deliciousness, the first Goupies were made by Grandma Noble, mother of Janet who now runs the brand with her husband Joe. For years these were much loved treats enjoyed at family events and on car drives, and now you can enjoy them too! There's a huge Goupie range to try - from classic flavours like Cherry & Almond to more unique combinations like Sesame Butter, and a range of completely moreish special festive flavours too. All are made using Fairtrade certified cocoa and flavourings sourced as locally as possible - and did we mention they're plant based too?

HARRY'S NUT BUTTER

Possibly the quickest disappearing product sample the Greencity buying department have seen this year! Harry's Nut Butter have taken their multi award-winning nut butters that are always a little bit sweet, a little bit salty and loaded with flavour, and have created a brand-new treat that will blow you away. Working with Magic Mayan, a fantastic chocolatier based in the West of Ireland, they've created a range of vegan truffles made from the finest dark chocolate alongside fresh milled nut butters. Each of the flavours are perfectly smooth and completely crunchy at the same time. Salted Almond, Pure Peanut and Hazelnut & Cacao - save yourself the heartache of choice and try all three!

EPICURE

New to Greencity this year are Epicure's jarred fruits. A healthier gift for foodies or perfect to pep up the Christmas breakfast table. Choose from peaches harvested by hand in the sun-drenched fertile orchards of southern Greece, juicy Williams pear halves, delicious plum halves, or sour cherries, prized for their qualities in home-baked pies and tarts. All have been picked at the perfect point of ripeness and preserved in syrup to be enjoyed during the festive season.

LITTLE POD

Little Pod launched in 2010 with their innovative vanilla paste in a tube. Why? Because the consensus was that we could lose real vanilla within a generation if we didn't act immediately. In the West, 97% of all vanillin used is artificial. Little Pod launched their Campaign for Real Vanilla to educate consumers and encourage farmers on the Equatorial Belt to keep growing vanilla – regenerating the rainforests and benefiting us all. This Christmas bring the taste of real vanilla to your loved ones - this special selection features Indonesian vanilla pods, grown at Little Pod's innovative orchard in Bali, and a bag of Vanilla Bean Vegan Fudge, made by the award-winning Roly's Fudge, alongside vanilla paste and pure vanilla extract.
